

# CFAP 2 for Maple Producers

CFAP 2 is a second round of funding for agricultural producers who continue to face market disruptions and the associated costs due to COVID-19

If you received funding from CFAP 1, it *does not affect* your eligibility for CFAP 2  
**APPLY AGAIN!**

Payments are guaranteed for all eligible applications;  
*it is not first come, first serve*

## What you need:

2019 Sales totals

No production in 2019?  
Total sales at time of application in 2020 will do

On the AD-3117 form, you will fill out your name, address, and phone number and then skip to Part F

In Part F, box 18 SALES COMMODITIES, maple sap falls under MISCELLENEOUS

In box 19, you will put total sales from 2019, unless you were not collecting sap, in which case you may put total 2020 sales up to the date of application

Payments will be calculated as follows:

Total sales up to \$49,999 are multiplied by 10.6%

Total sales between \$50,000 and \$99,999 are multiplied by 9.9%
